Dear Friends/Colleagues,

Cordial greetings from the Department of Community Medicine, Al-Azhar Medical College & Super Specialty Hospital, Ezhalloor, Thodupuzha.

With great pleasure we invite you to attend "Tuberculosis Updates - 2019" to be held on **6th March 2019**. This CME is organized by Department of Community Medicine, in association with Joint Effort for Elimination of TB (JEET) and District TB Centre, Idukki.

Tuberculosis is a major public health problem all over the world. Despite medical and social advancements, tuberculosis is still causing a great burden in terms of mortality, morbidity and catastrophic health expenditure. Kerala is accelerating its efforts to eliminate tuberculosis ahead of rest of the country, by the year 2020, with an unprecedented cooperation between public and private sectors.

There have been major changes in the RNTCP diagnostic and treatment guidelines recently. Knowledge about these guidelines is indispensable for medical practitioners, in the public and private sector alike, which will be addressed in **Tuberculosis Update - 2019**.

We cordially invite you for this programme.

With Best Compliments,

Organizing secretary

Dr. Bablu Raphael

Assistant Professor

Department of Community Medicine

Organizing chairperson

Dr Sandhya G.I.

Professor and Head

Department of Community

Medicine
