**MEDICAL DEVICE RELATED ADVERSE EVENT COMMITTEE: CONSTITUTION**

Medical devices have become an indispensable part of modern healthcare, contributing significantly to the diagnosis, treatment and management of diseases. Various incidents involving medical devices causing harm to the patient's has created the need of a system to monitor these events and in response to this, the Ministry of Health and Family Welfare launched the Materiovigilance Programme of India(MvPI) in 2015 at Indian Pharmacopoeia Commission to monitor adverse events and risks associated with medical devices used across the Country.

2. This National Initiative is designed to systematically collect, analyse and respond to adverse events associated with medical devices, ensuring better patient safety and quality healthcare delivery. In order to coordinate by the IPC and operates through a growing network of Medical Device Adverse Events Monitoring Centres(MDMCs) in hospitals and Medical Colleges, a Committee consisting of the following members is hereby constituted with immediate effect:-

Dr.Shiyas.K.P, Medical Superintendent	: Chairperson
